

## UNLEASHING THE POWER OF A NATIONAL PLATFORM

Three industry leaders unite to form the premier jan-san and specialty products distributor in the U.S.

### FEMSA

A global leader in production, retail and logistics for more than 130 years, FEMSA builds and scales business models to meet customers' needs. FEMSA companies employ more than 300,000 people and serve more than 290 million consumers worldwide. More information: <https://www.femsa.com/en/>

### WAXIE

The most trusted name in clean since 1945, WAXIE supplies more than 6,500 sanitary products and equipment to commercial, industrial, contractor and institutional clients. A focus on sustainable innovations provides customers both a clean and healthy environment. More information: <https://info.waxie.com/>

### NORTH AMERICAN

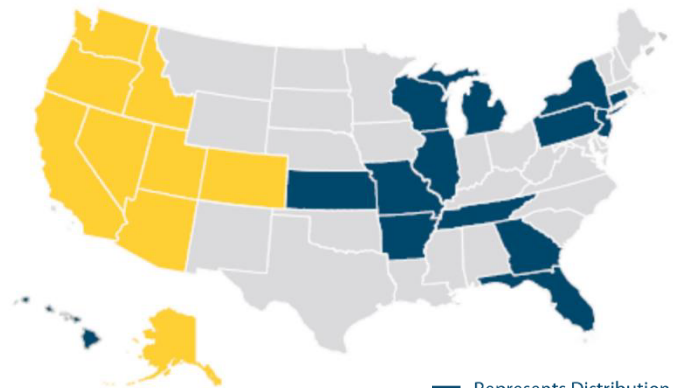

Customer service excellence has been the foundation for North American's jan-san products, industrial packaging and marketing solutions. A customized approach to best-in-class service, improved efficiencies and better value for customers has made the company a market leader for more than a century. More information: <https://www.na.com/>
